Course Leader

Revd Canon Robin Gamble

Robin is the leader of Leading your Church into Growth. He loves walking, painting, and reading. He's a fanatical Bradford City supporter and loves big nights out on the town. He's married to Maureen and they have a son and a daughter.

Robin will be joined by other course leaders who are evangelists, lecturers, missionaries, liturgists, but most of us are vicars.

We are drawn from across the full spectrum of churchmanship and demographic settings.

We have all worked in growing churches, and we love to see people coming to faith and our churches growing in numbers, depth and commitment to the local community.

Leading your Church into Growth really does equip leaders to grow their churches

...in spiritual depth

...in numbers

...in missional impact in your local community

Now in our 25th year, this highly-regarded course is designed for clergy and lay leaders from across different denominations who are looking for help in leading their churches into growth.

It's an open seminar with interactive talks, practical exercises, workshops and space for personal reflection. Times of informal conversation allow the opportunity for our team to answer questions and help you explore your specific church situation.

As a 'mixed economy' Mission Shaped Church Project, we work with Fresh Expressions alongside 'Re-freshed' Expressions of Church!

- working in catholic, evangelical, liberal and charismatic churches
- operating across diverse contexts: rural, urban, suburban
- growing large and small churches
- effective in single benefices and multi-church groups
- getting alongside and helping clergy and lay leaders
